
Flick See - Admin

— E-Commerce Website —

Project Objective

FlickSee can be used by the people all over the world which provide us a simple interface for your fashion and lifestyle needs. This is the Admin portal, having all the access for the user portals, data related to vendors, purchasing, payment, users, items, etc. Using this portal, admin manages all the things related to business.

Need for FlickSee - Admin

Flick-Admin is the admin portal for managing the main website i.e user portal. For any e-commerce website we have a backend portal which can only be accessible to admin only. Admin portal used to manage each and everything to the user portal. User explore the items and complete there purchasing. This data related to items, payment, invoice, user informations and many more is handled in the admin portal.

Technologies Used

- Angular 12
- HTML
- SCSS
- Typescript
- JQuery
- Bootstrap
- NG Bootstrap
- Angular Material

Login

The screenshot shows a web browser window with the following details:

- Browser Tabs:** FlickSee - Google Slides, Backend
- Address Bar:** localhost:4200/auth/login
- Page Content:**
 - Navigation links: [Login](#) (active), [Register](#)
 - Email input field: naman@gmail.com
 - Password input field: masked with dots
 - LOGIN button
- Taskbar (Windows):** Search bar (Type here to search), taskbar icons (Edge, File Explorer, Calendar, Mail, Chrome, Firefox, WhatsApp, Teams, OneDrive), system tray (26°C Sunny, 02:49 PM, 01-02-2022)

Register

The screenshot displays a web browser window with the following details:

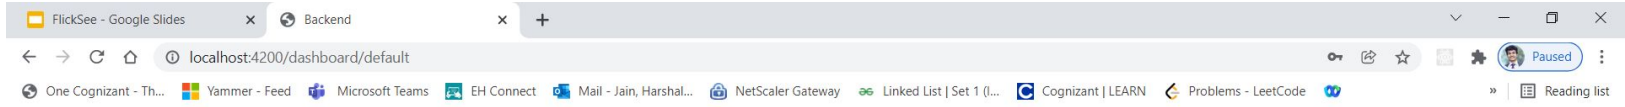

- Browser Tabs:** FlickSee - Google Slides, Backend.
- Address Bar:** localhost:4200/auth/login
- Navigation Bar:** Back, Forward, Refresh, Home, Search, Extensions (Paused).
- Taskbar:** One Cognizant - Th..., Yammer - Feed, Microsoft Teams, EH Connect, Mail - Jain, Harshal..., NetScaler Gateway, Linked List | Set 1 (l..., Cognizant | LEARN, Problems - LeetCode, Reading list.

The registration form is centered on the page and includes the following elements:

- Navigation:** Login (with a lock icon) and Register (with a person icon and a red underline).
- Form Fields:**
 - *First Name:
 - *Last Name:
 - *Email:
 - *Password:
 - *Confirm Password:
- Submit Button:** A red button labeled REGISTER.

The Windows taskbar at the bottom shows the search bar, system tray with icons for network, volume, and battery, and the system clock displaying 02:49 PM on 01-02-2022.

Scope of the project

The Project FlickSee can be enhanced further. Some other functionality can also be added as follows :

- Role Management Plan
- Traffic Monitoring
- Load Balancing

Bibliography

- Google
- W3 Schools
- Stack overflow
- Tutorials point
- angular.io

Thank You !
