This is the lower part of that micro site.

Here the User can message that particular brand, if he/she has any query related to this brand. So this part is the customer's request.

The screenshot shows a web browser window with the URL `localhost:1234/Admin_Sales/Frontend/contact.php`. The page features a contact form titled "Get In Touch". The form includes the following fields:

- First Name:** A text input field with the placeholder text "Your firstname".
- Last Name:** A text input field with the placeholder text "Your lastname".
- Email:** A text input field with the placeholder text "Your email address".
- Subject:** A text input field with the placeholder text "Your subject of this message".
- Message:** A large text area with the placeholder text "Say something about us".

At the bottom of the form is a yellow button labeled "Send Message". In the bottom right corner of the form area, there is a yellow button with an upward-pointing arrow. The browser's taskbar at the bottom shows a search bar with the text "Type here to search" and several application icons. The system tray in the bottom right corner displays the time "04:19 PM" and the date "23-06-2019".

# SCOPE OF THE PROJECT

The project OFFER'S CORNER can be enhanced further. Some other functionalities can also be added.

It may include adding Schemes for the shopkeepers which can be only accessed if the payment will be on time to the Super Admin.

Here we can also add the system of traffic Comes on this site every day, and a mail send to each and every company at the end of the month so that the company be aware of the traffic comes on this site.
